

Dear School District 37 Parent/Guardian,

Under Illinois law, school districts are required to waive charges for textbooks and other registration fees for children whose families are unable to afford them. A child can be deemed eligible under any of the following circumstances:

- The child is directly certified by the State of Illinois as receiving SNAP, TANF, or Medicaid benefits
- The child is categorically eligible (i.e. homeless, migrant or runaway or in Head Start)
- The child's household income is below the federal guidelines for free meals

State law permits the District to verify household income through an application process. If you wish to apply for a fee waiver, please complete the application and mail along with supporting documentation to:
